This image shows a 'Confirmation List' dialog box. At the top, there are 'Cancel' and 'OK' buttons. Below them is a table with six rows. The first five rows have two columns: 'To', 'Bcc', 'From', 'Subject', and 'Text'. The 'To' row contains the value '2@222.co.jp'. The 'From' row contains '1@111.co.jp'. The 'Subject' row contains 'Material(meeting)'. The 'Text' row is empty. The last row has one column labeled 'File' containing the value 'Report.pdf'. At the bottom right of the dialog box, it says 'Memory 100%'. Above the dialog box, the number '502' is printed.
